## High-Tech Center Scholarship Nomination

The High Tech Center Scholarship assists with tuition, books and supplies for one term. The recipient may apply to renew for one or more subsequent terms, although there is no assurance of renewal. There are no age requirements; however, the Foundation is particularly interested in mature students. The nominee should have financial need, the potential to succeed in school, and demonstrate the following personal traits: a spirit of adventure, a sense of purpose, a commitment to unending personal improvement, and especially a commitment to help others.
